private every time — just
your team

One booking, one dedicated host, zero strangers. We handle the logistics so your team just shows up and plays.

HOW IT WORKS

TEAM BUILDING, MADE SIMPLE

1

PLAY, SPLIT BY TEAM

By headcount, your group plays one room together or splits on-site into several teams racing across different rooms — always fully private.

2

YOUR GAME MASTER

A dedicated host sets up the story and rules before the 60-minute timer, with hints and friendly competition so everyone finishes on a high.

3

KEEP IT GOING

Add a second round, or continue with axe throwing at Pacific Axes — catering and drinks available to keep the celebration going.

BUILT FOR REAL TEAMS

ONE BIG THING, ALL TOGETHER

When you want the whole crowd doing the same thing at once, book the axe hall next door. A coach runs the session with music, games and bracket tournaments — you throw, we handle the rest.

- › Groups of 10–55 people
- › 2 hours, fully private
- › Dedicated coach, music & games
- › Catering, drinks & arcades
- › \$45 per person

Axe pricing is separate from escape rooms and pairs perfectly with a game round.

We had a great time as a team event! Alice was our room and Indigo was our guide. This wasn't my first experience and won't be my last.
